

Statement of the Congregation of the Doctrine of Faith

29th January 2019, Press Office of the Holy See

On January 28, 2019, Fr. Hermann Geissler submitted his resignation from office to the Prefect of the Congregation for the Doctrine of the Faith. The Prefect granted his request. Fr Geissler decided to take this step to limit the damage already done to the Congregation and to his Community. He affirms that the accusation made against him is untrue, and asks that the canonical process already initiated continue. He also reserves the right for possible civil legal action.
